THE CLARKSBURG SANITARY CLEANING COMPANY RESUMES OPERATION.

This company has started its machines with fullest expectations for a busy Fall and Winter season. The long dry spell, with its dust and disgust has played havoc with the homes of this city, and house cleaning is compulsory though very unwelcome.

The system of operation of this compulsory though very unwelcome. The new vacuum (suction) process not only draws every particle of dust from under and through the carpet, cleaning it thoroughly, giving it a new fresh look, saving trouble, time and expense, as carpet does not have to be removed. Any ordinary room can be cleaned in one hour, thus avoiding the tearing up, moving about and losing patience, husband angry, babies crying, every thing topsy turvy. Another particular feature of having carpets cleaned by this method is the saving of wear and tear on the carpet when taking up and putting down. Connect this with very reasonable price, seven and one-half cents per yard, you will readily see the great advantage of employing the Clarksburg Sanitary Vacuum Cleaning Company to do your house work. You may call up the Parsons-Souders Company for full particulars, information and leaving orders.
